Shop News:

The Professional fun day was blessed with good weather this year which makes a nice change. The day ran smoothly and was thoroughly enjoyed by all, especially ourselves in the shop as it was a nice change to take part and compete against the membership in such a fun format. Many thanks to Paul Barrington for his efforts and the brilliant display he put on at the end of the day bringing many to tears of laughter. We are hoping that next year is just as well supported.
