

Knighton Heath Golf Club

NOTICE TO MEMBERS

Global Coronavirus Outbreak.

After due consideration, we will continue to open and will be operating a 'business as usual' policy, like many other local businesses such as supermarkets, schools and libraries.

We are keen to update and assure all our members and visitors, that Knighton Heath Golf Club are working within the government standards.

Our Housekeeping team continue to thoroughly clean our entire premises, on a daily basis, to our normal high standard.

At this stage of the epidemic, our priority, in line with government guidance, is also to encourage and try to improve hand hygiene.

With this in mind, we will continue as we have always done, to supply antibacterial soap in all washroom areas.

We encourage our members and visitors to please thoroughly wash their hands.

We have also now placed Hand Sanitisers Dispensers in key areas around the club, please use.

For the time being we advise everyone to refrain from shaking hands with anyone.

We also ask that you heed government and health professional's advice, concerning your health.

Please ensure to take common sense precautions that would be expected with any kind of contagious illness, which may include staying at home to restrict the spread.

We would ask that If you have recently returned from any trips abroad or within the UK that you also take reasonable precautions in reference to attending our premises.

We will continue to monitor developments and keep you updated as we receive more guidance from government sources.

We will as most businesses do, continue to operate through this challenging situation and thank you for your understanding and support

**Reunert Bauser
General Manager**
