

Knighton Heath Golf Club Official Brochure 2020-21 Rate Card

Knighton Heath Golf Club is situated just north of the Bournemouth and Poole conurbation, but whilst playing the course you will often feel as if you are in the heart of the countryside.

It is a genuine heathland course, set in 90 acres of high ground beside Canford Heath and offers a great place to play golf in Dorset. Its proximity to the heath and the wildlife which live there means you are often able to catch sight of grazing deer, birds of prey and other wildlife all whilst enjoying your round of golf.

The course is made all the more interesting by a varied change of elevation and at key points offers good views across the Stour valley and beyond. A fair but testing course, it offers a great challenge to all golfers no matter what their ability and the club prides itself in being well known for its warm, friendly welcome.

The clubhouse offers great comfort and a welcoming atmosphere in which to socialise and relax either after a round of golf or as members of the club. Favourable comments are regularly received from visitors regarding the bar and catering facilities at the club. Hot and cold food is served daily seven days a week. You can enjoy a good selection of snacks at the bar or enjoy a filling two-course or three-course meal.

Every business needs promotion to thrive and grow. Our Official Brochure will put your business right in front of a highly targeted affluent customer base.

Not only will your business be showcased to all members and visitors of the Knighton Heath Golf Club, but also to all potential new members by means of residential distribution of the publication throughout the surrounding areas.

You can ask us to replicate an existing tried and tested advert or our design team can come up with a new approach for you. It's all part of the service.

The cost of two years continuous exposure for your business is probably a lot more affordable than you think.

Our bespoke brochure is an A5 square. Designed and Printed with a silk finish and a thick gloss cover ensuring that the look and feel of our brochure are of the best possible quality.

All artwork is produced in house and is free of charge. Proofs will be supplied for approval prior to printing.

Brochure rates cover the full two year period and are vat free.
