## SENIORS SECTION INFORMATION

---

A warm welcome to Knighton Heath Seniors Section (members aged 60 and over).

This section is by far the big-

gest section within the club and members meet regularly on a Monday morning.

This is generally the time they play their internal competitions whilst inter-club matches are normally played on another weekday.

In addition, there are a number of informal rollups that meet every week day and weekends.

The Seniors Committee is a sub committee of the Captains Committee and administers its own finances and holds an Annual General Meeting (AGM) where committee members are elected. Seniors Meeting and AGM Minutes are on the club website.

A brief description of the competitions and the contact name responsible for organising follows:
