e) Autumn Cup

Discussion took place about prizes for the individual medal and stableford rounds. The prize money had been queried by Sandy Wright who was one of the prize winners and is the overall runner up. She felt that prizes should not be given for the medal/stableford competitions. The ladies present at the meeting felt that prizes should be given as it is an incentive for people to play if they can only play on one of the days. It was agreed that a small pay-out could be made: 1st -£8, 2nd - £5 (and 3rd - £3 where applicable. Debbie L to let the ladies know who would be affected.

f) Lady Captains Dinner 10th October

Sign-up sheet is now on the noticeboard.

2. Debbie Knight mentioned an incident that happened on the day of the Parkin Cup/ Humphreys Bowl final held at KHGC on the 9th September. She has written a letter to Reunert which will be taken to the next Manco Committee meeting.
3. Joy raised the issue of handicaps limits going forward with the introduction of 37-54 handicaps. No decisions could be made today but consideration needs to be given as to what the handicap limits should be for trophies and our Opens. We felt that we should have a handicap limit of 36 for trophies and our Open – this will be discussed by the new ladies committee and progressed towards the end of 2018/ start 2019. We should also review County guidelines. Debbie K to email these.
