

Ladies Committee Meeting – 2 February 2016

Lady Captain's Report

Not a lot to report on, as most things will be covered in forthcoming events and AOB.

Whilst I was on holiday Debbie Lennon went to the Captains committee meeting and outside of this meeting it was agreed by three of the committee that captains committee meetings would be held bi-monthly. Obviously Debbie and I were not keen on this idea and I have asked that this decision be reviewed and voted on at a meeting this month (11 February), when all committee members could be present. Debbie has sent in a proxy vote as she will be on holiday.
