4. a) Ladies Captain

Refurbishment of toilets and showers – LC asked when this should be finished and AP replied that all should be done by end of week but LC suggested 2 weeks would be more viable.  
It was confirmed at the Manco meeting that the path being rubber crumbed is from 7<sup>th</sup> green round past the 8<sup>th</sup> tee to the end of the path at the bottom

of the hill. This will be done towards the latter part of the year.

The issue of the course rating was discussed at the Capcom meeting. The course can be rated with fixed positions which can apply to winter mats and also purple tees. These measurements can be sent to the DCGU for a certificate and then sent to be rated, which means we do not have to wait for someone to visit the course. Hopefully this will be done before the winter.

The website should have been up and running by the end of the week but this hasn't happened.

LC asked if the toilet that is out of order on the course could be repaired before our Ladies Open. AP to look at this week.

LC

LC asked if the cigarette bin could be moved away from outside the main entrance and this was agreed by Capcom.

LC

Preferred Lies to be in place until 31<sup>st</sup> May 2024.

Looking at the Women in Golf Charter with two new initiatives. LC and Jane Paine to meet to discuss.

LC/JP

Husband and wife (Nicky and Chris Phillips) would like to join (ladies were given priority). They will go on waiting list as probably not moving into the area until July. They are friends of Karen and David Stride.

i. General

Freeman Fours – LC asked a few of the ladies in the silver division if they would prefer a random draw instead of hi/low. As there was not a positive response it has been decided for this year to keep to hi/low. The format for this competition would be raised at the next AGM.
