Welcome

Dear Golfer,

Thank you for taking the time to read about Knighton Heath Golf Club.

We are a Members' Club and are privileged to play a wonderful golf course.

The course has fine views of the Dorset countryside, tight heather lined fairways and clumps of pine and birch.

The course measures 6,074 yards from the back (white) tees, but do not let this fool you into thinking it will be easy! You will need to plot your way around the course which is heavily tree-lined with some narrow fairways. The greens are always in superb condition and the course presents an excellent test of golf for players of all standards. The ladies course measures 5,474 yards and the ladies have a very active section within the club with Tuesdays being their preferred day to play.

The club prides itself on offering a first-class service for members, visitors, and societies alike and has excellent bar and catering facilities available daily together with a well-stocked pro shop.

More information can be found in this pack, on our website at www.knightonheathgolfclub.co.uk, or by phoning 01202-572 633 and asking for me.
