## NEWS FLASH

### NATIONAL LOCKDOWN UPDATE

#### **GOLF COURSES TO CLOSE FROM THURSDAY 5 NOVEMBER**

Further to the Government announcement on Saturday evening, it has been confirmed that golf courses in England are instructed to close from 5th November as part of a national lockdown until 2nd December.

Section 4 of the New National Restrictions Notice states that:

To reduce social contact, the Government has ordered certain businesses and venues to close.

These include '

- indoor and outdoor leisure facilities such as bowling alleys, leisure centres and gyms, sports facilities including swimming pools, golf courses and driving ranges, dance studios, stables and riding centres, soft play facilities, climbing walls and climbing centres, archery and shooting ranges, water and theme parks'

This is, of course, particularly disappointing news.

However, we must do what is right and serving the national interest is the priority.

England Golf will alongside the All-Party Parliamentary Group for Golf (APPG) pro-actively continue dialogue with government challenging the current position hard, but with great reason, to allow golf courses to remain open for play (in some format) from Thursday.

Wishing you and your families all the best. Keep safe and well.
