NEWS FLASH

Club Boundary

Dear Members

On the back of what I said the other day about communication - I now write to inform you of some recent news.

Some months ago, Manco discovered that a parcel of land that had long been assumed to belong to KHGC, did not.

The ground in question covers the 3rd tee box down towards the 3rd green, the green keepers' sheds, and some of the practice ground.

It was too important to leave, so Manco entered into negotiations with W H White, the owner.

I am pleased to report that we have been successful, and the land now belongs to KHGC.

Hopefully, this will quash any rumors which may have been circulating.

Regards

Jim Airth
