## Stoke Salver Final

Sunday 11 October 2020 at Yeovil  
KHGC v Ashley Wood

The result was a win for Ashley Wood

At lunch Knighton Heath had a slight lead - but it finally came down to the last putt on the last green of the last match - it was that close

The team was a credit to Knighton Heath and to the Team Captain Andy Parsons - the KH supporters who made the journey were treated to a very high standard of golf.

Well done, you did us proud.

The end result was a win for Ashley Wood.

## Golf Course Etiquette

**Etiquette** is an integral part of the game, defining golf's core values. It describes the manner in which the game of golf should be played to ensure all players gain maximum enjoyment.

*Keep up with the Group in Front.*

It is a group's responsibility to keep up with the group in front. If they lose a clear hole and delay the group behind, they should invite the group behind to play through, irrespective of the number of players in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, they should also invite the faster moving group to overtake them.

\* Do not worry about the group behind – keep up with the group in front.

\* If you feel that your group is falling behind take responsibility and bring this to the attention of the other players in your group.

\* React positively to the situation.

\* If your group is behind there is no need to run but try

to catch up quickly.

\* Invite the group behind you to play through if you are delaying them.

In short, it's about "respect".....for more information click on the read more button below.

## Reciprocal Arrangements

It has been brought to the attention of the Club Management that certain members are contravening the reciprocal arrangement we have with other clubs by:

- inviting non-members to play as part of their group.
- using members names to book without their permission.

Reciprocals are for the benefit of playing members only, excluding flexible members.

By members contravening this arrangement the club could lose this very worthwhile benefit.

Any member found abusing the arrangements will face disciplinary action.
