### COVID-19 Update

The All-Party Parliamentary Group For Golf (APPG) has confirmed that current Covid guidance for golf clubs in England will remain until July 19.

This follows the prime minister's announcement that 'Freedom Day' will be delayed by four weeks due to a recent rise in infections.

In a statement, the APPGG says: 'In light of the government delaying the easing of lockdown to 19th July in England, England Golf and membership bodies in England will confirm to clubs and golfers that the current Play Safe Stay Safe guidance will continue until that date, unless the government decides otherwise.
