## NEWS FLASHES

### NO TRAVEL INTO OR OUT OF A TIER 4 AREA

**With the government restrictions that do not allow travel into or out of a Tier 4 area,** we therefore ask that members abide by the restrictions which, if breached will have serious consequences not only for the club but also for the member.

However, in order to allow our members in a Tier 3 area to play golf, the club Management has negotiated temporary reciprocal arrangements with Ashley Wood, Ferndown and Wareham golf clubs.

This arrangement will commence on Monday 11 January 2021, with members being allowed to book 1 round of golf per week, 5 days in advance.

There is a limited number of bookings each day (Monday to Sunday) which will be allocated on a "first come first serve basis".

**Please note that the above arrangement is only for our members residing in a Tier 3 area.**

*Members must contact the clubs below to arrange their bookings:*

Ashley Wood - 01258 452253 (option 4)

Ferndown - 01202 653951

Wareham - 01929 554147 - commence from 4 January 2021

**The next batch of tee bookings will be released on Sunday 3 January 2021 at 18:00.**

### COURSE MANAGEMENT

It has been brought to the attention of the Club Management;

\* that some members are playing off the main tees. Members must play off the winter tees in general play. Please assist in protecting our course.

\* pace of play, members are reminded that it is a group's responsibility to keep up with the group in front. If they lose a clear hole and delay the group behind, they should invite the group behind to play through, irrespective of the number of players in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, they should also invite the faster moving group to overtake them.
