NEWS FLASHES

ROADMAP TO RE-OPENING

England Golf (EG) have released the following statement in response to the government's presentation of its roadmap out of lockdown.

"England Golf is extremely disappointed that the scientific evidence presented to government detailing how the sport can be played in a Covid-secure manner has not resulted in a return to play date earlier than 29 March.

We will now examine the details of the government's roadmap before making further comment and working with our community of clubs, counties and golfers to prepare for the game's safe return."

The Club Management has agreed that with the return to play on Monday 29 March:

* all tee times until Friday 30 SApril 2021 will be reserved for members general play only.

* the initial tee bookings for the period Monday 29 March to Wednesday 14 April 2021 will be released on Wednesday 17 March at 20:00. Thereafter, tee booking sheets will be released each week on a Wednesday at 20:00

* the clubhouse will open on Monday 17 May 2021, with the current restrictions in place to open any earlier would not be viable.

* members may only reserve 3 tee times per week, whether booked by you or on your behalf. If more than 3 tee bookings are found the additional bookings will immediately be removed.

* we appeal to members to assist with the above which will allow all members an opportunity to play the course.

Questions:

2 or 4 ball play?

Will the locker rooms and toilets be open?

Once EG advise as to the outcome of their discussions with the government, members will be updated.
