NEWS FLASHES

COVID-19 Update

To all our members and patrons just a quick reminder. As you would have seen by now our COVID secure measures were working well... but Boris has added a few more... so just to be clear of the new changes..

- Face coverings. YOU MUST wear them when entering ALL areas of the club, and wear them whilst moving around the club.. they may only be removed when you are sat at a table.
- Table service only... please don't head for the bar.. we won't be serving you.
- The Bar closes at 10pm.. that is everybody out and doors closed by 10pm.
- Track & Trace measures in place, including the displaying of the club QR Code for you to check in via the NHS App..

We will be rigidly applying all the rules.

There will be no exceptions as any business found breaking the rules will be punished with a hefty fine. I would like to thank all whom have visited us since the new restrictions have come into effect for following the rules and supporting us during these times.

Let's stay safe together.

CLUBHOUSE UPGRADE

The Club recently successfully applied for an EG Covid-19 Support Grant to upgrade the Dining Room area with new chairs and a movable partition, which will add privacy to the dining room, enabling the club, in the future to hold private functions/meetings etc.

A high number of applications were received by England.

A comprehensive assessment process took place to determine which applicants were to be offered funding with consideration given to those demonstrating the greatest need as well as levels of impact and future sustainability.

Good news.
