### Locker room access

Dear Member

Please be advised that entry to the men's and ladies locker rooms is by members card only.

Tap your card on the door access panel to open the door.

The pin code, which is issued to visitors is changed on a

regular basis to ensure that the lockers are not vandalised and their content removed.

Criminals gain entry to golf club locker rooms by posing as golfers and being given the code by unsuspecting members. They then plan their raid using the code.

By changing the code on a regular basis we mitigate the chance of criminals gaining entry.

Please assist and use your members card to enter the locker rooms, this will ensure that the security of the locker rooms are maintained.
