CLUB ANNUAL GENERAL MEETING

Annual General Meeting - Thursday 15 October 2019 (Behind Closed Doors)

Your vote is important

Voting: Any registered member may submit a pro-form proxy, postal or an electronic voting form (members area of the website), duly completed, to the General Manager by close of business, Wednesday 16 October 2019.

Voting forms are available in the lobby area of the clubhouse or can also be downloaded from the members area of the website in the AGM section.

Please use one of the following methods to return your vote;

- by post, addressed to the General Manager and marked "voting form"
- by placing your voting form in the ballot box positioned in the lobby.
- by electronic mail, the voting form link can be found in the members area of the website in the AGM Nominations section.

Voting:
Only those who are currently playing members over the age of 18 years or are Life members will be entitled to vote.

WORLD HANDICAP SYSTEM - DATA NOTICE

In preparation for the launch of the World Handicap System (WHS) you will have seen recent communications from us intended to support all golf clubs with their transition to the WHS. This email reiterates the necessary next steps to ensure that your handicapping software and your member data is prepared for launch.

Golf clubs in England must provide two key pieces of information to ensure their members obtain a handicap index for the start of the WHS on 2 November.

- A member's email address
- A member's date of birth

The above detail can also be updated through the Club V1 Passport on the "Your Profile" tab.

This information should be logged on your golf club handicapping software system by 5 October 2020 in preparation for it to be transferred across to the central WHS database.

Without this information, golf club members will not receive a handicap index when the transition from the current CONGU handicapping system to WHS takes place.

England Golf will be moving to a higher integrity level of handicapping for and on behalf of its affiliated members with the introduction of WHS.

The initial transfer of information is required to ensure player identification and to eliminate the duplication of handicap records.

Ongoing communication with affiliated members will be for handicap purposes and will be fully compliant with GDPR regulations.

Junior members without an email address of their own may use an email address of a parent or guardian. SafeGolf procedures as well as GDPR regulations remain of paramount importance in such cases.

Thank you for your ongoing support in order to allow for a smooth transition to the World Handicap System.
