KNIGHTON HEATH GOLF CLUB

NEWS FLASH

KHGC in Tier 4

Dear Member

The newsletter which was sent last night may have failed to reach some of our members.

Apologies, this was due to an overload on our service providers (Club Systems) network, and as a consequence the system "crashed".

I will be releasing a batch of tee times at 14:00 for the period 1 - 10 January 2021.

The Club Management has restricted the release to 1 week only, as we are busy negotiating with various clubs local to us and in Tier 3 for a temporary reciprocal arrangement.

This arrangement will hopefully allow our members that are currently in Tier 3, and are not allowed to travel to the club, to play.

Please be aware that travel is not allowed in or out of a Tier 4 area.

Click on the read more button below for a summary of the Tier restrictions.

Stay Safe
