## NEWS FLASHES

### NEW MEMBERS

Welcome to the following new playing members:

Ian Bascombe, Sam Bascombe, Carol Chamberlain, David Chamberlain, Deborah Niven, Lyn Fitzsimmons, Diane Shepherd, Christine Bartlett, Martin Dean, Jan Finch and Mark Jones.

Enjoy.

### BALL CHUTE / BOOKING SYSTEM

The Captains Committee has decided to implement the hybrid system as recommended by England Golf relating to the 'Turn up and Play (Ball Chute) and bookable' options.

- \* The new booking system will commence from **Monday 9 August 2021 at 20:00.**
- \* Members will be able to book 3 weeks in advance.
- \* Tee times will remain at 10 minute intervals.

#### ***Ball Chute players overlapping with the bookable tee times***

\* Members who turn up and realise that they will not get out before the bookable times commence will need to remove their ball from the ball chute and ask at the Pro Shop to look to see if there are any gaps available in the bookable slots.

\* Members must ensure that they do check the website calendar as other events such as competitions, ladies and seniors representative matches, societies etc. do commence and take place during the 'Ball Chute' times and therefore, members would not be able to play if the tee has been allocated for a match/event.

**Monday to Friday:**

07:00 - 10:00 Ball chute  
10:10 - 12:00 Tee booking  
12:10 - 13:30 Ball chute  
13:40 - 15:00 Tee Booking  
15:10 - to end Ball chute

**Saturday & Sunday:**

07:00 - 13:00 Ball chute  
13:10 - 15:00 Tee Booking  
15:10 to end Ball chute

## COMPUTER INPUT TERMINAL

In light of the directive from Englang Golf (A framework for playing golf), competition and scorecard entries as well as tee bookings processes may revert to pre-pandemic operations.

The terminal in the lobby is therefore available for use by the members.

Please do not take your competition scorecards etc to the Pro- Shop, but use the terminal to enter your scores and then place your card in the slot in the desk.
