Second Instalment of Annual Subscriptions 2020/21

Dear members,

It is time for the second installment of the annual subscriptions, for those members who chose to pay the 50%.

I said at the time we would endeavour to find a way to recompense members for the loss of play during the first lock down – we now have a second lock down.

The initial plan was to review the financial position of the club, prior to invoicing in May 2021, and see how much we could afford to recompense members, that is still the aim.

Some members are asking about the process – at this time I am unable to give a firm answer as we have not looked at it yet.

I know there is a lot of frustration amongst the membership due to the amount of play lost through the year – it is something the Committee is very conscious of and we will endeavour to inform members as soon as is possible, once we have made a decision.

Please be patient with us as we try to come to terms with the new world that we live in.

I would like on behalf of the Management Committee to wish you and your families a safe and Happy Christmas.

Kind Regards
Jim Airth
CHAIRMAN
