NEWS FLASHES

EG SAFE GOLF UPDATE

Updated 7 April - Relevant as of Monday 12 April 2021

England Golf has been working closely with partners from across the sport, including The R&A, fellow home nations, PGA and other industry associations to draw together a framework under which golf may be safely enjoyed.

There are many different types of golf clubs and golf facilities each requiring safe procedures to be finalised and implemented locally.

However, the fundamentals are the same throughout the sport, which has a good record of compliance with rules and procedures.

These procedures include all aspects of the golfing experience. The over-riding consideration throughout must be to 'Play Safe, Stay Safe'.

IMPORTANT NOTES

- * Locker/changing rooms are permitted to reopen, including shower areas. Please tap your members (bar) card on the door access keypad to gain entry.
- * Social distancing measures should be in place throughout these facilities, but you should encourage participants to avoid or minimise use where possible (for example, by arriving ready to play and showering at home) and to minimise the time they spend in the changing area.
- * Toilets and wash-hand basins in locker rooms may remain in use.
- * Player Score Input (PSI) screens may be used where players can sanitise before and after use.

*Please note that the locker rooms can only be accessed by using (tap the keypad) your members (bar) card. *

CLUB DIARY 2021

As from the Saturday 1 May 2021, please follow the website calendar as changes have been made to the paper club diary, to allow for the re-scheduling of competitions and matches.

As we move to "normal" golf from Saturday 1 May 2021, the restrictions in terms of visitors, guests and member bookings per week will no longer apply.

However, the online tee booking system will continue until EG advise to the contrary.

Please note that the competition booking sheets are released 3 weeks before the date of the competition.

For the website calendar please click on the read more button below.
