

# Seniors' Friendly Matches

Would you like to play other local courses?

Would you like to meet and play with other golfers?

Would you like to have a meal and socialise after golf?

Everyone is welcome to play.

Gentlemen,

It is that time again when we are organising to play seniors' friendly matches with various clubs in the local area. These have been arranged so that we play both home and away matches with each of the clubs as shown in the attachment on the dates listed.

For those of you who have not previously played in these matches they are very enjoyable and a good day out for all involved. They may be on courses you have not previously played, and you may have the opportunity to play with other people who may not be in your normal group or "roll-up."

Each match has teams of 12 and following the games we all have a meal and socialise in the club house and the host club normally presents a prize to the visiting teams player who is nearest the pin on a specific hole.

## How does it work

We will be sending emails to all senior members approximately one month before each match and a "match entry sheet" for you to enter your name will be put on the notice board in the main lobby 3 weeks before the match. The Captain for the match will email you a few days before the match with details of the arrangements for the day. For continuity we like to have the same team play in both the home and away matches. This helps develop friendships with members of the other clubs.

## More details

If you have any questions or want more details please talk to, or email Dave Warburton ([david@dfwarburton.co.uk](mailto:david@dfwarburton.co.uk)) or Graham Paine ([paineg@btinternet.com](mailto:paineg@btinternet.com))

## Come and Join Us

We hope many new faces will join us to make this year of senior's friendly matches great fun for all.
