UPCOMING SENIOR'S MATCHES

We have the following matches coming up and I need more of you to participate in these, it's an opportunity for you to play at other great courses in our area, I find it very frustrating when we put these matches together and we are having to phone around to get the last couple of players. In the survey we conducted 18 months ago you told me that a lot of you did not like the formality, we have removed that from most matches this season, so I would like to see more support for these matches.
