Doug Proctor Trophy; Ladies v Seniors 4BBB, Sunday 10<sup>th</sup> July 12.30 – 14.15

Seniors Bowmaker Open Thursday 14<sup>th</sup> July

2. Drawn Comps: This was discussed at the last Snrs Mtg, and felt generally acceptable, there being only one written and a few verbal disagreements. The committee will review the system later in the year. Please note the Derek Hopkins Trophy Monday 13<sup>th</sup> June is also drawn between pairs, but you may enter with your partner as a pair.

3.. Open Wine Scramble played in near perfect conditions on 19 May. Well received with many complimentary remarks made about the course and organisation. Raffle made nearly £1000 for Honeypot Children's Charity.

4. Annual Dinner: After discussions with members and some feedback it was decided to move to a new date in February 2023. Seniors Christmas Dinner in December 2022 is cancelled.

5. Senior's Charity; Honeypot Children's Charity: The money raised so far is in excess of £1300.

This will be donated during the week 14-21 June. This is a 'big give week' for the Charity any donations will be doubled in value. For anyone more interested in this charity the following web site will give you access to the Charities web site and the opportunity to make your own donation if you wish.

6. The next few months are of course a very busy time. In addition to all the Seniors events there are regular Club Competition's and Matches on Saturdays/Sundays and Wednesdays. I hope the weather will be kind to us and we can take advantage of our ever-improving golf course. The Course Manager and his staff are doing an excellent job and deserve our gratitude.
7. Advance notice: We are hoping to auction 4BBB vouchers for two very prestigious Golf Clubs in the near future details to follow.

Richard Pearce
