Mixed Sunday comps with the combined 20 h/c limit. Feedback says it is putting people of playing.

From last month's meeting;
The submission of 6 qualifying cards needed to enter comps. This may be calculated as a rolling 12 months or the last calendar year.
The seniors brochure will be passed to all new members and those reaching 60.

Sign-up for friendlies is not exclusively on the app. We have sufficient players for the recent matches.

5. Competitions (MB and AC)

The June Stableford had 72 entries. The best score of the day was from Pete Langsmead. He won div 2 with 40 points. The division handicap split will be reviewed as division was noticeably less populated than divisions 1 & 3. AW has been asked to alter the division 2 handicap range to between 15.2 & 20.7
The Derek Hopkins trophy, rained off earlier in June, will now be played on July 27th.
W has been asked to shift the division 2 handicap to 15.2 to 20.7

6. Matches (AC)

There have been three friendly games during June
Lyme Regis away – a 3.5 to 2.5 win.
Ashley Wood away – 4 to 2 loss.
Weymouth at home – 5.5 to 0.5 win.
Our win ratio at 73% is good so far this season.
2027 fixture with Ashley Wood confirmed.
The process of calculating handicaps and shots received etc should follow EG guidance.
The use of drawn groups for board comps will stay.
Also, the champs will be sent off in handicap order.
