1. **Apologies for Absence:** Kate Bull

2. **Minutes of the Previous Meeting –** Signed as a true record

3. **Matters Arising** –
   - No matters arising

4. **Reports**

   - The Ladies Golf and Coffee Morning on Thursday 3rd September was a great success and the various stalls raised over £1,000 for the Lady Captain's charity. The Surprize Shop attended for a second year and many purchases were made.
   - The Lady Members Open on Tuesday 22nd September was also a success with a lunch and prize giving afterwards.
   - Further to the Capcom's comments about the Purple Tees being ready for use, it was agreed that the LC would send out a communication to advise that the first Ladies event to use the Purple Tees will be the Turkey Trott on 17th November 2026.

   - **Captains Committee**:
     - Manco are looking into undertaking various projects and some soon to be taken forward such as sorting out the car park drainage.
     - The Club is looking at ways of generating income and one suggestion may be the installation of a Golf Simulator
     - The Purple Tees have now been measured and are ready to be used, however there was a discussion around whether the same score card could be used whilst waiting for a new score card relevant to the purple tees.
     - It was reiterated that Andy Windsor is not being made redundant but confirmed that his role will be changed and details to be advised in due course.
     - The Seniors have asked for an Honours Board to be installed
     - The Junior Section is running well and is well attended.

- The Captains (In/Out) Dinner will be held on Saturday 17th October at 7.30 pm.
- The Club Captain stated that he would like to make weekend competitions all NTR however this was considered unfair for the ladies as they played weekend Trophies with allocated time slots. The committee felt that if these were to be removed from weekends then this could have a negative impact when trying to recruit new working ladies.
- The Club Captain will be reviewing the weekend Mixed Competitions/Carvery. These competitions will not take place in either December or January.

- **County**
  - The LC has received notification from Dorset County Golf that Highcliffe Castle GC has been added to Group D for the 2027 Interclub Competitions that currently include Bridport, Moors Valley, Weymouth and Knighton Heath. LC to establish contact with HCGC and will arrange the relevant fixtures.

5. Forthcoming Events

- The Ladies Section AGM will be on Tuesday 13th October and the format and procedures were discussed in preparation.

  - Lady Captain to prepare the notices and papers in readiness for the meeting and to purchase the vouchers for winners/runners up.
  - CB agreed to ensure signatures for receipt of winners' /runners up vouchers
  - KB to be asked to minute the meeting
  - Following the recent feedback received, SL to explain the changes in relation to future Margaret Joyce/Freeman Fours competitions
